4. PRESENTATIONS

[ORD24-1955](#) **An Ordinance Authorizing Delivery of Consent to Assignment of Redevelopment Agreement (Palencia Properties LLC to DPIF4 IL 13 Pinnacle LLC)**

Village Attorney, Rich Vogel, explained both ORD24-1955 and ORD24-1957 together. Mr. Vogel explained that these two items are the completion of the development of the Carlson annexation agreement. Dermody is planning to purchase this last piece of property and develop it in accordance with the plan that was previously approved by the board in the Palencia annexation agreement. This agreement provides that Dermody will now develop the property and there is a redevelopment agreement to provide TIF benefits to the property.

Mayor Noak commented that we are excited to have them pick up this project and investment in our community.

[ORD24-1957](#) **An Ordinance Authorizing the Third Amendment to Annexation Agreement Dated August 18 2004 By and Between the Village of Romeoville, an Illinois Municipal Corporation, and South Creek Enterprises LLC**

See ORD24-1955

[ORD24-1956](#) **An Ordinance Authorizing the Creation and Execution of an Automatic Mutual Aid Agreement**

Mr. Vogel explained that this ordinance approves a standard form for our mutual aid agreements that the Village will use in providing and receiving mutual aid with other fire/ emergency medical service agencies. The end result will provide better fire protection services for ourselves and neighboring communities and will benefit residents of the Village by improving the Village's ISO rating.

[RES24-3942](#) **A Resolution to Waive the Bid Process and Accept the Price Quote from H2I Group for the Material and Freight of Facility Armor Court Tiles at The Athletic and Event Center**

Parks and Recreation Director, Kelly Rajzer, explained that this resolution approves the purchase of tile flooring for three courts at the Athletic and Event Center. The new court tiles will enhance the flexibility of the space and allow for additional rentals and expos to be hosted on the hardwood courts.

Mayor Noak commented that this is an excellent idea.

[RES24-3951](#) **A Resolution Authorizing the Waiving of Bids for a 14-Passenger Bus for the Parks and Recreation Department with Best Bus Sales**

Ms. Rajzer explained that this resolution would approve the purchase of a new 14 passenger bus from Best Bus Sales, which would replace the 2013 Ford F-450 Universal passenger bus. This new bus will enhance our ability to provide better service for the Ride Around Town program, trips, day camp, and other recreation programs. To reduce costs, the Village will be trading in the 2013 Ford F-450 bus as part of the purchase reflecting the trade in value of \$6,500.

Mayor Noak commented that these buses are so well utilized.

[RES24-3952](#) **A Resolution Authorizing Waiving of Bids to Accept a Sales Proposal for New Fitness Equipment from Direct Fitness Solutions, LLC**

Ms. Rajzer explained that this resolution approves the purchase of new fitness center equipment for the Fit for Life Fitness Center located in the Recreation Center. Three proposals were received and the lowest proposal was from Direct Fitness Solutions. We will be receiving 16 new pieces of equipment and trading in 1. Installation will be done without any interruption to our fitness center.

[RES24-3946](#) **A Resolution Approving the Price Increase from USSI Rentals for the Service Body Final Build of the Mechanics Service Body on the Previously Ordered 2023 F550 Chassis**

Public Works Director, Chris Drey, explained that after almost two years, the Village received this vehicle, but due to supply chain delays and industry cost increases, there is now a cost increase for the service body of \$4,298.60.

RES24-3947 A Resolution Awarding the Contract for the Multi-Use Path Connections to Maneval Construction Company, Inc

Mr. Drey explained that this project consists of the installation of multi-use asphalt paths in various locations to establish the connections between existing pathways. Bid documents were received by nine pre-qualified and responsive bidders, and bids were received from four of the nine. This resolution allows the Village to award the contract to the lowest responsive and responsible bidder.
