Order Acceptance Agreement

As a result of extreme volatility in the commodity pricing and logistics costs. Toro cannot guarantee pricing on this order. Upon Completion of a signed sales agreement, the final price will not exceed 10% over the quoted contract price or the current contract price at the time of delivery, whichever is lower.

Prices and terms on this proposal are not subject to verbal changes or other agreements unless approved in writing by the seller. All proposals and agreements are contingent on availability of product from the manufacturer. Typographical errors are subject to correction. Purchaser is responsible for applicable taxes. Financed product will require lease company approval prior to delivery. Net 30 terms will require a signed UCC form prior to, or upon delivery in order for transaction to be complete. **1% service fee will be added to all credit card transactions.**

By signing below, I acknowledge that I have reviewed the quote in its entirety and I commit to the purchase as detailed on the quote above. I reserve the right to opt out of intended purchase at any time prior to scheduled delivery. Unless otherwise indicated I agree to accept delivery on the earliest date that this product can be shipped to our location. **All trades associated with this order are required to be ready for pickup and in the same condition we originally evaluated them in.**

- SmartCool® auto-reversing cooling fans
- 24-volt electrical system powers cooling system
- 4-way adjustable seat and Air Ride Suspension
- All-season safety cab with air conditioning and heat (5910)

More Parks & More Rec.

Tasked with maintaining more parks and sports fields with no additional workers or budget? The Groundsmaster® 5900 Series mowers can mow over 20.9 acres/hour (8.5 hectares/hour)* using only one operator! And to match the 16' (4.88 m) wide mowing brawn and a more fuel-efficient EPA Tier 4 Final and EU Stage IV emissions compliant Yanmar® 3.3 L engine, the Groundsmaster 5900 series is loaded with intelligence. Smart Power® allows the operator to effortlessly maintain the correct speed for optimal cutting, while the SmartCool® system prevents overheating with auto-reversing the cooling fans. An onboard InfoCenter™ gives the operator a quick read on all systems and even provides assistance at the right moment. When the comfort and safety of an all season cab, the incredibly nimble handling, and tough Toro durability are added in, the Groundsmaster 5900 series proves beyond doubt that increased efficiency and ease of operation lead to higher productivity.

Groundsmaster® 5900

Groundsmaster® 5910

SMART POWER

*Assumes average mow speed of 1.5 mph with 100% efficiency. Actual mowing rate will vary depending on application and conditions.
