3. PETITIONS FROM THE PUBLIC

Victor Zak-

He is here on behalf of Valley View School District as a Board Member. School has started and he is here to say thanks to the Village for all of the work they do for us. We are investing into this community. We are fortunate that we have the Village as partners.

Dwight Bendel-

Winter is coming and we need to address on street parking with the snowfall situation. The Village needs to institute odd/even parking all of the time. Also, vehicles blocking the sidewalk needs to be addressed. There is an issue with utility companies tearing up yards. Residents can call the ICC to get this rectified. Finally, the ordinance that the Village attempted to utilize regarding tents is not strong enough to address this subject and it could cost residents quite a bit of money to find this out.
