**Romeoville Job Proposal**

**New Era Spreading Inc. proposes a price of \$23.25 per ton with each truck load hauling 21.50 tons per truck load. New Era Spreading Inc. will furnish a loader to load trucks, we will locate & soil test farm fields, test for radium, and a sludge rate will be applied per an analysis according to IEPA standards. New Era Spreading Inc. will also send out adjacent land owner notifications, notifications to local road commissioners and health departments, and will report to the IEPA monthly as well as Romeoville. Biosolids will be applied with 2 ~ 2019 Case IH 310 tractors, 2 ~ Pik Rite HR550 vertical beater spreaders, and incorporated with a DMI 2500 disk ripper. New Era Spreading Inc. also offers digester cleanings as needed.**
