

PROPOSAL

Date: June 9, 2025

Attn: Jeff Hlava

Project: Romeoville Fire Station #2 – 1321 Enterprise Drive – Parking Lot Camera Additions

Total Automation Concepts is pleased to provide the following quotation for the surveillance system work based upon the floor plan provided & the following:

A. Inclusions:

1. Provide and installation of (1) 5MP IPro WV-S series long range bullet camera. This camera will cover the training tower & gate
2. Provide and installation of (1) 8MP Ipro WV-S series dual sensor camera. This camera will be mounted in the back, above the roof line and will focus on the rear drive / parking area
3. Provide and installation of (5) 5MP IPro WV-S series varifocal dome cameras. Camera locations include: (1) Exterior OHD / apron, (4) within the bay areas to view the general space and overhead doors
4. Provide and installation of (1) new Cat6 cable from each camera location to the main network closet
5. Provide and installation of all necessary camera mounts, brackets, raceway & mounting hardware as needed for a complete installation
6. Provide all necessary terminations and programming to add the new cameras to the existing camera server.
7. Some cabling & camera installations will require a man lift – included in this proposal

Base Price -----\$16,925.00

B. Items **not** included in above price:

- bonds/permits/inspection
- overtime or premium labor
- additional insurance
- cutting, patching, painting
