Amendment No. 1 to Task Order No. 22-05  
Village of Romeoville, Illinois (OWNER)  
and Strand Associates, Inc.<sup>®</sup> (ENGINEER)  
Pursuant to Agreement for Technical Services dated February 29, 2016

This is Amendment No. 1 to the referenced Task Order.

Services Name: Phase 2 Optimal Corrosion Control Treatment (OCCT) Study and Demonstrative Study Services

After Services Description, ADD the following:

“Amendment No. 1 Services Description: Assist OWNER with gathering and delivering treated Lake Michigan water (LMW) samples for use in an ongoing CCT Study being conducted by Cornwell. ENGINEER is also contracting with other Grand Prairie Water Commission (GPWC) members to collect LMW for those members’ ongoing CCT studies. Sample collection and delivery for OWNER and GPWC members will be conducted concurrently to reduce the level of effort and time required.”

Under **Scope of Services**, ADD the following:

“Amendment No. 1 Scope of Services

1. Purchase and prepare up to 36 five-gallon double-wall containers for the transportation of treated LMW.
2. Communicate with Eugene Sawyer Water Purification Plant representatives for sample collection services.
3. Provide sample collection services using the 36 containers for OWNER’s portion of up to 43 one-way trips, but not fewer than 13 one-way trips, from the Eugene Sawyer Water Purification Plant to ENGINEER’s office.
4. Communicate with Cornwell to review timing of water sample deliveries.
5. Arrange for shipping via United Parcel Service, Federal Express, or other similar delivery service. Ship samples from ENGINEER’s office to Cornwell’s office in the City of Newport News, Virginia.”

Under **Compensation**, ADD the following:

“OWNER shall compensate ENGINEER for Amendment No. 1 Scope of Services on an hourly rate basis plus expenses an estimated fee of \$14,000.”
