Village of Romeoville
Attn: Chris Drey
Director of Public Works
615 Anderson Drive
Romeoville, IL 60446

Dear Chris,

We would like to thank you and your staff for meeting with us over these last few months. It has been a pleasure working with you and your staff at Village of Romeoville. It is our primary focus to deliver the best experience combining customer service with excellent LED products and expert installation.

We have been in the LED business for 20+ years and have partnered with The ComEd Service Provider Extra Electric LED to deliver professional auditors and LED installers who work directly with the ComEd incentive program to get our customers the highest incentives available. We have worked diligently to get the most incentives available for the Village of Romeoville.
