The intent of this drawing is to show a conceptual representation of the proposed signage, due to variations in printing, fabrication, painting, substrates, and finishes. The final product may differ from drawing. Superimposed drawings are intended to show orientation and location of the proposed signage. It may not be exactly to scale. Color swatches or chips can be provided if requested by customer. If colors are not specified a close match will be provided and determined by the project manager. Accepted: By signing this document you the customer accepts that the above proposed signage specifications, colors, spelling, and conditions are satisfactory and authorize Elevate Sign Group to do the work as specified.
