11. OPTICAL CAMERA
12. 360° PTZ CAMERA

The D3 Live Unit is a cutting-edge, cloud-based security system. It provides a turn-key mobile solution for perimeter detection, deterrence, and alert-based monitoring. It is completely portable and is easy to deploy, relocate, or remove because it does not require hardwired connections. Instead, The D3 Live Unit combines solar power and batteries with cellular connectivity and proprietary software to protect your property.

MSLA SCHEDULE

This **Schedule**, including the attached **Quote**, together with the LiveView Technologies, Inc. ("LVT") Master SaaS and Service Level Agreement ("**MSLA**"), which is available at <https://www.lvt.com/msla>, sets forth the terms and conditions under which LVT will provide Village of Romeoville ("**Customer**") with the products and services set forth on the Quote below ("**Services**").

By executing this Schedule, Customer agrees to subscribe to the Services and to be bound by the terms and conditions of the MSLA. The MSLA is legally binding on Customer and Customer's end users and governs their subscription to and use of the Services. Customer should carefully read the MSLA before executing and submitting this Schedule. This Schedule and the MSLA will not be binding on LVT until LVT confirms acceptance by executing this Schedule.

The person executing and submitting this Schedule hereby represents and warrants to LVT that they have the legal authority to bind the Customer to the Schedule and MSLA. Upon LVT's acceptance of this Schedule, this Schedule and the MSLA represent the entire agreement between the Customer and LVT regarding the provision of Services by LVT to Customer.

Please check "yes" if you require a purchase order for this sale.

LVT will collect applicable sales tax on all sales unless a valid tax exemption certificate is provided at the time of sale. If you are tax-exempt, please check "yes" and provide a copy of your tax exemption certificate to ensure your exemption is applied.

Marketing Terms

Customer agrees to collaborate with LVT on the following marketing initiatives with the customer pre-approval:

- be mentioned in a welcome message as a new LVT customer on LVT's social media sites (e.g., Facebook, Instagram, LinkedIn, X)
- allow LVT to use Customer's logo and name on LVT's websites and marketing materials
- assist LVT with non-public, peer-to-peer reference calls
- participate in press and industry analyst briefings
- select LVT marketing events (i.e., webinars, panels, trade shows, etc.)
- as a case study reference

Equipment Relocation/Shipping Costs

Both offsite and onsite relocations are subject to a relocation setup fee of \$400.00 plus applicable shipping.

Local Permitting Requirements

Alarm permit requirements vary by location. It is Customer's responsibility to find out if their municipality has an alarm permit requirement and to obtain and pay for the permit before the LVT unit is set up.
