[ORD24-1932](#) **An Ordinance Amending Chapter 159 (Zoning Ordinance) of the Village of Romeoville Code of Ordinances for Cannabis**

Community Development Director, Josh Potter, explained ORD24-1932 and ORD24-1933 together.

Mr. Potter explained that GCF Industries has submitted a special use permit for a cannabis infuser, processor, and transporter located at 1413 Sherman Road Unit 90 in the Bluff Trails Business Park. The subject property is zoned M-R, which cannabis is not listed as a special use. Bluff Trails Business Park is the only business park zoned M-R and ORD24-1932 would update the Zoning Ordinance to include cannabis as a special use and keep all the business parks consistent.

With the approval of these ordinances, the zoning ordinance would be updated and a special use would be granted to GCF Industries.

[ORD24-1934](#) **An Ordinance Approving a Special Use Permit for Christian Congregation Church at 1233 Naperville Dr.**

Mr. Potter explained that Christian Congregation Church is seeking a special use permit to allow his congregation to meet in a 1200 square foot leased out space at 1233 Naperville Dr in the M-1, medium manufacturing, district. The church will use the space solely as a meeting location for their 30-35 members. The congregation will only meet on Tuesdays and Sundays. This special use is only for this church and is non-transferable.
