Please see Standard Equipment pages for more details.

¹ Ford Security Package included for one-year from warranty start date. Modem authorization is required; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

² Modem activation is required to enable Ford app remote features and most Connected Services. Ford Telematics™ and Data Services Prep included for Fleet ONLY: SG W-Fi Modem provides data to support telematics and data services including but not limited to vehicle location, speed, idle time, fuel, vehicle diagnostics and maintenance alerts. Device enables telematics services through Ford or authorized providers. Activate at www.fleet.ford.com or call 833-FCS-Ford (833-327-3673).

³ Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.

Product Changes and Features Availability

Features, options and package content subject to change. Please check www.fmcdealer.com for the most current information.
