--	----------	--------------	----------------

The software, services, and hardware, as applicable, that are itemized above, are hereby added to your existing Agreement. The software and hardware fees will be invoiced to you in full upon receipt of your signed quote. The service fees will be billed to you as services are delivered and the travel expenses are due as incurred. Associated maintenance and support will be invoiced on a pro rata basis beginning on the first day of the month following Amendment Effective Date, and then as a lump sum amount together with Client's then-current maintenance and support fees for previously licensed software. The terms and conditions of your Agreement will otherwise control.

Footnotes

Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for de
remitting.

Travel and expenses are not included under *Total Services* as they are billed at actual cost. A separate line item above "*Estimated Travel Expenses*", shows Ty
travel and living expenses for the scope of this project. That estimate is based upon \$2,000 per trip, which may include airfare, hotel, per diem, car rental, and
and living expenses will be billed on a weekly basis, but only as incurred.

Tyler supports SQL Server Reporting Services (SSRS) for server-based report generation and ad hoc reporting. SSRS utilizes a web services interface to support
development of custom reporting applications. SSRS is included in the Express, Workgroup, Standard, and Enterprise editions of Microsoft SQL Server. Custom
use other third-party report generation tools including Crystal Reports however Tyler does not provide support for these tools and cannot guarantee compatibilit

Prices assumes that all software proposed is licensed.

Tyler recommends the use of at least a 128-bit SSL Security Certificate for any Internet Web Applications, such as the New World ERP eSuite and the New World
myInspections applications if hosted by the Client. This certificate is required to encrypt the highly sensitive information as it travels across the public internet. T
vendors who sell SSL Certificates, with all ranges of prices.

Tyler's quote contains estimates of the amount of services needed, based on our preliminary understanding of the size and scope of your project. The actual an
depends on such factors as your level of involvement in the project and the speed of knowledge transfer.
