Class M-1 Liquor License Ordinance

Current Holders of an M-1 Liquor License:

Metal Monkey Brewery

515 Anderson Dr, Romeoville IL, 60446

(M-1) Class M-1 licenses shall authorize the on-premises brewing of beer, the retail sales of beer brewed on the premises for off-premises consumption in original sealed packages which shall require the seal to be broken in order for the beer contained in the packages to be consumed (except that no such beer shall be sold for off premises consumption during the hours from 12:00 a.m. to 2:00 a.m.), the sales of beer brewed on the premises to distributors or wholesalers, and the storage of brewed beer on the premises. The dispensation of beer for off premises consumption into containers commonly known as "growlers" shall comply with the requirements pertaining thereto set forth in § [112.33A](#)(B)(1). No sale of alcoholic liquors other than beer brewed on the premises shall be permitted under a Class M-1 license. No alcoholic beverages shall be sold for on-premises consumption by a Class M-1 licensee, except that a Class M-1 licensee may sell beer brewed on the premises for consideration or provide complimentary samples of beer brewed on the premises to prospective purchasers of such beer, provided, however, that the service of such complimentary samples shall be performed by a full time employee of the Class M-1 licensee in a designated area of the licensed premises, and the consumption of such samples shall at all times be supervised by such employee. Class M-1 licensees may, but need not provide food services from within the Class M-1 licensed premises, provided that such services otherwise comply with all applicable village, County of Will and State of Illinois requirements, and provided further, that Class M-1 licensees shall further be permitted to allow customers and patrons present within the Class M-1 licensed premises to order food from outside the Class M-1 licensed premises for delivery to the Class M-1 licensed premises for consumption within the Class M-1 licensed premises while present therein for the purpose of sampling beer brewed on the premises as hereinabove contemplated. The annual fee for the Class M-1 license shall be \$1,200.

Class O Liquor License Ordinance

Current Holders of an M-1 Liquor License:

Iron & Glass Taproom and Bottle Shop

632 S. Weber Rd, Romeoville IL, 60446

(O) Class O licenses shall authorize the licensee to sell bottled wines and premium beer only in the original package and not for consumption on the licensed premises, and to sell wine and premium beer by the glass for consumption on the licensed premises. Holders of Class O licenses shall be prohibited from selling spirits in the original package or for consumption on the licensed premises, and shall further be prohibited from applying for or holding any license, permit or other approval authorizing or purporting to authorize video gaming terminals to be located and used on the licensed premises. Class O licensees shall also at all times offer not less than six different types or varieties of wine for sale by the glass for consumption on the licensed premises. As used in this chapter, "PREMIUM BEER" shall mean and include beer not brewed or manufactured within the United States of America or a beer brewed or manufactured by a brewer that produces less than 2,000,000 barrels of beer annually, in which no other brewer, person or entity producing more than 2,000,000 barrels of beer annually holds more than a 25% ownership interest and that produces a significant volume of all-malt beers, uses adjuncts to enhance rather than lighten flavor, and is characterized by the production of new interpretations of traditional beer styles or the development of new styles of beer without historical precedent. All dispensing of premium beer or wine from the original packages thereof for consumption on the licensed premises shall be conducted by employees of the Class O licensee who have completed the training required by § [112.46](#). Seating for customers ordering wine or premium beer by the glass for consumption on the licensed premises, shall not exceed 40 seats in total. A Class O license shall also allow the delivery of wine and premium beer, without any direct or indirect charge, for on-premises consumption for promotional or sampling purposes only in conjunction with promotional efforts occurring on the licensed premises, which efforts may be conducted on a daily basis. The sampling shall be attended and supervised by a full-time employee and only in a designated area on the licensed premises, and shall be subject to such further regulation as deemed necessary by the local liquor control commissioner. No portion of beer or wine provided for sampling or tasting purposes shall exceed one ounce in volume of wine, two ounces of premium beer, and no individual person may be provided more than five such tasting or sampling portions during a given calendar day. Notwithstanding the limitation on the number of sampling portions permitted to be provided to an individual person during a given calendar day, a Class O licensee shall be permitted to conduct not more than four special events during a given calendar year, during which such special events there shall be no limitation on the number of sampling portions that may be provided to an individual patron other than as set forth in § [112.15](#), and at which a Class O licensee shall be permitted to provide live entertainment on the Class O licensed premises. Except as contemplated by the preceding sentence, Class O licensees shall not be permitted to

provide live entertainment on the Class O licensed premises. A Class O licensee shall provide the local liquor control commissioner with not less than 30 days' prior written notice of its intent to conduct a special event as permitted herein, which notice shall set forth a description of the nature of the event and the activities to be conducted at such event. The manner in which such a special event is conducted shall be subject to the reasonable discretion of the local liquor control commissioner. A Class O license also authorizes the sale of beer and wine-related accessories, gourmet food-related accessories, and gourmet foods such as cold sandwiches, salads, cheeses, appetizers, or other similar or complimentary foods, and drink products, all in compliance with the applicable requirements of the Health Department or other like agency having jurisdiction thereof. Patrons of Class O licensees shall also be permitted to order food and drink products from outside of the Class O licensed premises for consumption within the Class O licensed premises, so long as the providers or sellers thereof shall supply and produce such food and drink products in compliance with the applicable requirements of the Health Department or other like agency having jurisdiction thereof. The annual fee for the Class O license shall be \$1,250.
