

## ORD 18-1497 Exhibit C

### Exceptions to Village Code

1. 158.027(A)(2)(g)(2), the minimum allowable driveway-to-driveway centerline offset is 100' between existing and proposed driveways. Proposed offsets are to be allowed as shown on the plans. The existing curb cuts in the Airport Industrial Center Business Park to not allow this section to be met.
2. Chapter 159.80(I)(2), the maximum width of ingress/egress points shall be forty (40) feet at the property line. The width of the east entrance is 45' at the property line. This is needed for truck maneuvers.
3. Chapter 159.115(D), the number of trailer spaces is limited to 1.5 per dock door. The proposal calls for 73 trailer spaces. This is to allow space for incoming and outgoing trailers waiting to have the graphics installed.
4. Chapter 159.82(F)(3), side yard parking setback of 5'. This is being reduced to 3.5' along the property adjoining the pond.
