- Alternate No. 1:** Furnish and install covered patio overhang, masonry piers, additional dormer and all associated Work as shown in the drawings and specifications.
- Alternate No. 2:** All Work associated with Mezzanine B20 at Building ‘B’ as shown on Sheet A1.2b. including but not limited to framing, tube columns, decking, concrete topping, steel guardrail and Stair-1.
- Alternate No. 3:** All Work associated with Mezzanine B22 at Building ‘B’ as shown on Sheet A1.2b. including but not limited to framing, tube columns, decking, concrete topping, steel guardrail and Stair-3.
- Alternate No. 4:** Furnish and install 6” exposed prefinished fiber cement lap siding over ½” thick CDX plywood in lieu of PEMB metal siding at locations indicated on Sheet A3.1b and A3.2b. Contractor to furnish and install 3-5/8” metal studs at 16” o.c., frame and brace as required. Install air vapor barrier on sheathing substrate – typical all locations.
- Alternate No. 5:** Furnish and install heavy duty high traffic epoxy coating at Building ‘B’ in lieu of concrete seal coat. Rooms: Garage B02, Wash Bay B09, Auto Shop B01, Enclose Storage B12 and Oil B08. See Specification Section 099656 for additional information.
- Alternate No. 6:** All Work associated with Building ‘C’.
- Alternate No. 7:** Furnish and Install Armstrong Flooring (or equal) 2-part Epoxy S-452 Seal Strong at all LVT (resilient tile flooring) locations shown.

- Unit Price No. 1:** Excavation, removal and legal disposal off site of existing unsuitable (non-contaminated soils) beyond subgrade design depth and replace with CA-1 limestone compacted to meet the specification requirements.
- Unit Price No. 2:** Excavation, removal and legal disposal off site of existing unsuitable (non-contaminated soils) beyond subgrade design depth and replace with CA-6 limestone compacted to meet the specification requirements.
- Unit Price No. 3:** Furnish and install CA-6 stone base compacted to meet the specification requirements.
- Unit Price No. 4:** Furnish and placement of porous granular embankment with CA-1.
- Unit Price No. 5:** Rock excavation encountered in general excavation using non-blasting methods, material removed and legally disposed off site.
