## Comments

Client agrees that items in this sales quotation are, upon Client's signature or approval of same, hereby added to the existing agreement ("Agreement") between the parties and subject to its terms. Additionally, payment for said items, as applicable but subject to any listed assumptions herein, shall conform to the following terms:

- License fees for Tyler and third party software are invoiced upon the earlier of (i) deliver of the license key or (ii) when Tyler makes such software available for download by the Client;
  - Fees for hardware are invoiced upon delivery;
  - Fees for year one of hardware maintenance are invoiced upon delivery of the hardware;
  - Annual Maintenance and Support fees, SaaS fees, Hosting fees, and Subscription fees are first payable when Tyler makes the software available for download by the Client (for Maintenance) or on the first day of the month following the date this quotation was signed (for SaaS, Hosting, and Subscription), and any such fees are prorated to align with the applicable term under the Agreement, with renewals invoiced annually thereafter in accord with the Agreement.
  - Fees for services included in this sales quotation shall be invoiced as indicated below.
  - Implementation and other professional services fees shall be invoiced as delivered.
  - Fixed-fee Business Process Consulting services shall be invoiced 50% upon delivery of the Best Practice Recommendations, by module, and 50% upon delivery of custom desktop procedures, by module.
  - Fixed-fee conversions are invoiced 50% upon initial delivery of the converted data, by conversion option, and 50% upon Client acceptance to load the converted data into Live/Production environment, by conversion option. Where conversions are quoted as estimated, Tyler will invoice Client the actual services delivered on a time and materials basis.
  - Except as otherwise provided, other fixed price services are invoiced upon complete delivery of the service. For the avoidance of doubt, where "Project Planning Services" are provided, payment shall be invoiced upon delivery of the Implementation Planning document. Dedicated Project Management services, if any, will be invoiced monthly in arrears, beginning on the first day of the month immediately following initiation of project planning.
  - If Client has purchased any change management services, those services will be invoiced in accordance with the Agreement.
  - Expenses associated with onsite services are invoiced as incurred.
- The costs provided in this proposal are based on all of the proposed products and services being obtained from Tyler Technologies. Should significant portions of the products or services be deleted, Tyler reserves the right to adjust its prices accordingly.
- Tyler supports SQL Server Reporting Services (SSRS) for server-based report generation and ad hoc reporting. SSRS utilizes a web services interface to support the development of custom reporting applications. SSRS is included in the Express, Workgroup, Standard, and Enterprise editions of Microsoft SQL Server. Customers may elect to use other third-party report generation tools including Crystal Reports however Tyler does not provide support for these tools and cannot guarantee compatibility.
- Tyler's quote contains estimates of the amount of services needed, based on our preliminary understanding of the size and scope of your project. The actual amount of services depends on such factors as your level of involvement in the project and the speed of knowledge transfer.
- Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting.

## Comments

- In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.
- With our 2018.1 Release Tyler requires the use of Tyler Identity and at least a 2048 bit RSA SSL Security Certificate for all New World ERP applications if hosted by the Client. This certificate is required to encrypt sensitive information as it travels across the network. There are various vendors who sell SSL Certificates, with all ranges of prices.
- Tyler's cost is based on all of the proposed products and services being obtained from Tyler. Should significant portions of the products or services be deleted, Tyler reserves the right to adjust prices accordingly.
- Unless otherwise noted, prices submitted in the quote do not include travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.
- The software, services, and hardware, as applicable, that are itemized above, are hereby added to your existing Agreement with us. The software and hardware fees will be invoiced to you in full upon receipt of your signed quote. The service fees will be billed to you as services are delivered and the travel expenses are due as incurred. Associated maintenance and support fees will be invoiced on a pro rata basis beginning on the first day of the month following Amendment Effective Date, and thereafter in a lump sum amount together with Client's then-current maintenance and support fees for previously licensed software. The terms and conditions of your Agreement will otherwise control.
