Opportunity Matters Presentation

Noel Maldonado and Mark Howard gave a brief presentation on the new Opportunity Matters initiative.

Mayor Noak stated that this will be very helpful to reach even more of our youth by building on resources we already have. He is very excited about this program. He added that Clerk Holloway will be working with this group as well.

Trustee Richards stated that there is a need for this. There is potential to make this a great program by working with all of the resources out there already.

[RES20-2990](#)

A Resolution Awarding the Rt 53-Normantown Pedestrian Improvement Project to Copenhaver Construction Inc. (5 Formal Bids Were Received).

Mr. Zabrocki stated that the Village has been working with the Illinois Department of Transportation to obtain pedestrian crosswalks (with detectable warning plates, pavement markings, pedestrian push buttons/cross walk signals and additional sidewalk) at the intersection of Normantown Road and IL 53. This will allow people to cross IL 53 to access the businesses on the east side of the road such as McDonalds, Checkers, etc.

Mayor Noak stated that there were a lot of hoops to jump through to get this done. He appreciates all of the hard work everyone has done on this project.

4. ADJOURNMENT

A motion was made by Trustee Clancy, seconded by Trustee Palmiter, that this Meeting be Adjourned at 6:13 p.m. The motion carried by a unanimous vote.
