Attn: John

### Roofing Proposal S. Budler Road Salt Dome

1. Remove and dispose of existing shingles.
2. Replace any damaged plywood decking at a cost of \$5.00 per sq. ft. if necessary.
3. Install GAF ice and water shield over entire dome area.
4. Install new GAF Timberline architectural shingle over new underlayment.
5. Install new roof vents to match existing.
6. Install new aluminum drip edge above concrete wall.
7. Install new metal cladding at entrance to cover the face and the sides of the existing wood paneling. We are not going to do anything with the inside walls. We will cover only the outside wood paneling.
8. We will submit a 1-year contractor warranty and a GAF manufacturer warranty.
9. Work will have to be completed when the weather warms up this spring.

Total price for all work listed \$79,700.00

Respectfully Submitted,

Scott Crowther, Jr.  
Vice President
