[RES20-2879](#) **A Resolution Authorizing the Credit of \$50.00 on the June 2020 Residential Water and Sewer Bills of Village of Romeoville Residents**

Mr Openchowski reported that the authorizes a \$50.00 water bill relief credit. The credit will be reflected on the June, 2020 water bills. The aggregated amount of relief to be provided to residents is approximately \$600,000. In order to provide assistance to residents during the COVID-19 crisis, the Village is increasing the credit by \$45.00 as compared to the \$5.00 granted over the past several years and implementing the credit earlier in the fiscal year (June vs. January). This credit applies only to single family housing units located within the Village's corporate limits and also excludes any second meters. It does not apply to commercial or industrial accounts.

Mayor Noak stated that we started these rebates as we came out of the great recession and have continued these ever since. This is the largest amount that we have done. We are one of the first communities to be able to do this right away as we have funds in reserve.

4. ADJOURNMENT

A motion was made by Trustee Chavez, seconded by Trustee Griffin, that this Meeting be Adjourned at 5:22 p.m. The motion carried by a unanimous vote.
