(A) It shall be unlawful for any person to keep or maintain any dog which has been found to be a vicious dog unless such dog is at all times kept in an enclosure that does not allow the animal to exit such enclosure and/or structure of its own volition. The only times a vicious dog may be allowed out of its enclosure are:

determine whether or not the enclosure is secure, that facilities exist to adequately feed, house and maintain the animal, that the location of the enclosure is not likely to endanger the peace, quiet health, safety or comfort of persons in the vicinity of the location, and that maintenance of the animal in the location has not resulted in or is not likely to result in the animal being subjected to neglect, suffering, cruelty or abuse. The owner of a vicious dog shall retain the right to refuse inspection, and shall be so advised by the Village upon the occasion of such an inspection, but in the event of a refusal of an inspection, the Village shall retain the right to obtain an administrative search warrant, or to pursue other remedies in the Circuit Court for the 12th Judicial Circuit to enforce the provisions of this Section requiring access for an inspection.

If a subsequent offense occurs, such owner will be subject to a fine of one thousand dollars (\$1,000.00), and if a third offense occurs thereafter, in addition to a fine of one thousand dollars, the animal will be subject to confiscation by the Animal Control Warden, and thereafter humanely euthanized.

Any such dog found to have rabies shall thereafter immediately be humanely euthanized.

(D) In the event a biting or attacking vicious dog is impounded pursuant to this Section, the owner shall be given written notice that he or she may request a hearing with respect to the impoundment. The request for such hearing must be made by the owner within five (5) days of the date of the notice. The hearing shall be held before the Village Manager, or his designee, which hearing shall be held expeditiously upon the request of the owner, and within fifteen (15) days of the date of the owner's request for hearing, unless otherwise agreed by the Village and the owner. The decision made at the hearing by the Village Manager or his designee will be final for purposes of the Illinois Administrative Review Law.

(E) The owner of a vicious dog who knowingly fails to take appropriate precautions, as required by this Chapter, to confine and restrain such dog, shall be liable for restitution of actual damages to the victims thereof for personal injury and property damage caused by the dog when not properly confined or restrained.

(F) Any municipal corporation, county, township, village or any other political subdivision or department of the State of Illinois, or the United States or any of its instrumentalities, or any person, partnership, corporation, association or any incorporated or unincorporated religious, education or charitable organization is entitled to enforce the liability imposed by this Section.

(G) No recovery under this Section may exceed one hundred thousand (\$100,000) actual damages for each person, or legal entity as provided in subsection (E), in addition to taxable court costs. In determining the damages to be allowed in an action under this Section for personal injury, only medical, dental and hospital expenses and nursing care appropriate thereto may be considered.

(H) This Section shall not affect the recovery of damages in any other cause of action where the liability of the owner of the vicious dog is predicated on a common law basis.

(I) In addition to the fines and penalties provided herein, if the owner of a dog that was declared vicious by order of the Circuit Court for the Twelfth Judicial Circuit fails to abide by any of the requirements of the Ordinances pertaining to vicious dogs pursuant to such court order, such owner shall be subject to being held in contempt of court.
