The Bonds shall be fully registered and in Book Entry Form, shall be in denominations of \$5,000 or integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered consecutively in such fashion as shall be determined by the Bond Registrar.

The Bonds shall become due and payable serially or be subject to mandatory redemption (without option of prior redemption) on December 30 (unless otherwise set forth in the respective Bond Order) of each of the years (not later than 2025), in the amounts (not exceeding \$1,400,000 per year) and bearing interest at the rates (not exceeding 5.00% per annum) as set forth in the Bond Order.

Each Bond shall bear interest from the later of its Dated Date as herein provided or from the most recent Interest Payment Date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 30 and December 30 of each year, commencing on such June 30 or December 30 as shall be provided in the Bond Order. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation thereof in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date, and mailed to the registered owner of the Bond as shown in the Bond Registrar or at such other address furnished in writing by such Registered Owner, or as otherwise may be agreed with DTC. The principal of the Bonds shall be payable in lawful money of the United States of America upon presentation thereof at the principal office maintained for the purpose by the Paying Agent or at successor Paying Agent and locality.

Section 5. Book Entry Provisions. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the series and maturities of the Bonds, and the provisions of this Section shall apply. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of “*Cede & Co.*”, or any successor thereto, as nominee of DTC. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Treasurer, as representative of the Village, and the Paying Agent and Bond Registrar are authorized to execute and deliver on behalf of the Village, and as such agent for the Village, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”). Without limiting the generality of the authority given with respect to entering into such Representation Letter, it may contain provisions relating to (a) payment

procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to DTC, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, none of the Village, the Treasurer, the Paying Agent or the Bond Registrar shall have any responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*Depository Participant*”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the Village, the Treasurer, the Paying Agent and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the applicable record date, the name “*Cede & Co.*” in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the Village determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Village, the Paying Agent and Bond Registrar, and DTC evidenced by the Representation Letter shall be terminated for any reason or (c) the Village determines that it is in the best interests of the Village or of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Village shall notify DTC and DTC shall notify DTC Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond

Register in the name of Cede & Co., as nominee of DTC. The Village may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Village, or such depository's agent or designee, but if the Village does not select such alternate book-entry system, then the Bonds shall be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

Section 6. Execution; Authentication. The Bonds shall be executed on behalf of the Village by the manual or duly authorized facsimile signature of its President and attested by the manual or duly authorized facsimile signature of its Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

Section 7. Redemption; Redemption Procedure. A. Mandatory Redemption. If so provided in the Bond Order, any Bonds may be issued as Term Bonds and be subject to mandatory redemption by operation of the Bond Fund at a price of par, without premium, plus accrued interest to the date fixed for redemption, on December 30 of the years and in the amounts as shall be set forth in the Bond Order.

On or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Corporate Authorities shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with

an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

B. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Principal Office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Prior to any redemption date, the Village shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, and notwithstanding the failure to receive such

notice, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 8. Registration and Exchange or Transfer of Bonds; Persons Treated as Owners. The Village shall cause the Bond Register to be kept at the principal office maintained for the purpose by Bond Registrar, which is hereby constituted and appointed the registrar of the Village for the Bonds. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the principal office maintained for the purpose by Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same series and maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the

close of business on the Record Date for an interest payment to the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however*, that the principal amount of Bonds of each series and maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such series and maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

Section 9. Form of Bond. The Bonds shall be in substantially the form hereinafter set forth; *provided, however*, that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend “See Reverse Side for Additional Provisions” shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.
